Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am using Compounded Natural
hormones which have improved the quality
of my life & health.

I object to the definition of "inordinate
amount" contained in the M.O.U.

The services provided for me by the specialty
pharmacies are NOT available from commercial pharmaceutical
manufacturers. I also feel that my doctor & I know
what is best for my health, not the government. I resent
the fact that my freedom of choice will be taken
away from me which is NOT acceptable in a
democratic country.
